We are in receipt of the campaign finance report filed on behalf of the campaign account referenced above.

The report was received in this office after the deadline and unless you have proof of timely filing from this office, we are required to assess a late fee penalty as noted above. The late fee must be paid directly from campaign funds. Please make checks payable to State Board of Elections. If the campaign has insufficient funds in its account, the outstanding balance is the joint and several personal liabilities of the chairman and treasurer.

Pursuant to Election Law Article Section 13-331(C), the campaign finance report is not considered officially filed until the late fee has been paid. The fee is \$20 per day for the first 6 days that a pre-election report or affidavit is overdue and \$10 per day thereafter. If the report is a post-election report, the fee is \$10 for each day the report is late. The maximum fee chargeable is \$500.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact Victoria Molina at the listed numbers below.
